

1. K-Love Radio station in my area serves to lift me with music and prayer that glorifies the Lord Jesus Christ. It provides me with the music choice that I prefer without commercial interruption.
2. I believe that displacing K-Love with a LPFM would have an adverse effect on the community, as I know a great number of people listening would not have an appropriate alternative.
3. K-Love provides air-time for local events that are of interest to me. They do so at no cost to the organization. They also have full time pastors on staff that any one can speak to at any time of the day. Just as they state very clearly, they are "Positive and Encouraging" and in today's society with morals and values being eroded, K-Love is light unto this decaying world.
God Bless and May he keep K-Love on the air in my area.
